(Reviewed: August 2016)**

## **Fundamental British Values (FBV)**

Darul Uloom is committed to promoting Fundamental British values through our teaching and curriculum provisions.

### **Aims**

To ensure that:

- We promote British values throughout all aspects of our curriculum
- Our students develop a very strong awareness & understanding of these values
- Our teaching promotes SMSC Education
- we fully meet all relevant Independent Schools Standards
- we do not undermine FBV

We educate our students to build the stamina against extremism which is a vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We will educate our pupils about the dangers of radicalisation. We also pay close attention to protected characteristics as part of our equality agenda as set out in the Equality Act 2010.

We will learn about the Armed forces by inviting them, honouring them and learn about their sacrifices.

We will teach the importance of law in this country through assemblies, lessons in Citizenship and History.

We will teach mutual respect to others with beliefs and without through Religious studies lessons, Citizenship lessons, visits to other faiths organisations/ places of worship, interacting with pupils of other faiths, creating school displays, understanding the commonalities of each faith.

We will promote democracy by creating a school council, having dialogue with local councillors/MP's and running mock elections as well as debates.

Our school will promote the equality act and respect all humans equally. We will take firm action against any form of bullying and harm caused to others.
