Dear Parents and Carers,

Assalamalaikum wa Rahmatullaah wa Barakatu

Alhamdulliullaah, we have achieved some fantastic GCSE results this year such as 100% A*- C in Mathematics, 100% A*- C in Science, 100% A*- C in Additional Science, 100% A*- C in Urdu, 100% A*- C in Bangla, 100% A*-C in Religious Studies and 85% A*-C in English Literature.

However at this stage we are querying the English language results as there seems to be serious discrepancies with some of the units affecting the overall result for all pupils. It seems like the examination board has made some errors in the grades given for some of the units. For example a pupil has achieved grades A and B in two units but then got a grade U in another. This is extremely peculiar therefore we have been in contact with the examining board who are now investigating our concerns. We have requested from the examining board copies of the exams and will instruct a remark immediately after receiving and analysing them.

We would like your patience in this matter until it has been fully resolved. We anticipate this process to take up to 30 days.

If you have any further queries please do not hesitate to contact me. JazakaAllaahkhairan.

Wasalaam
