

WEEKLY BRIEFING
26 FEBRUARY 2024 | 16 SHA'BAN 1445

Assalamualaikum wa Rahmatullaahi wa Barakatu. We make du'a In-sha'Allāh this briefing reaches you all in good health and emaan.

Please read about our eventful week full of learning, fun and personal development, Alhamdulillah.

TERM 2.2 BEGINS

As is our customary practice, we commenced the second half of term two in the Masjid Hall by reflecting on the purpose of our presence at the Madrasah. Our Head of Madrasah shared with us the promising rewards that await scholars, Huffadh, and Daees. Additionally, we discussed the upcoming month of Ramadan and emphasized the importance of preparing ourselves for this auspicious time.

We pray to Allah ﷻ to grant us the opportunity to witness the blessed month of Ramadan and to bless us with the ability to make the most of it, Insha'Allah.

NASIHAH

On Wednesday, we were truly blessed to have our esteemed senior Alimi teacher, Shaikh Habibul Gaffar, lead the nasihah session, Alhamdulillah. His enlightening discourse enlightened us about the virtues of Sha'ban and provided valuable insights on how we can utilise this month to prepare for Ramadan.

The session was both inspirational and educational, and each of us left with a plan to make the most of this blessed month.

May Allah ﷻ reward our scholars abundantly and grant them the strength to continue their remarkable efforts in propagating the deen, Ameen.

WORK EXPERIENCE FOR YEAR 10

Our Work Experience Scheme takes place on **4-8 March 2024** and will involve your son undertaking a one-week work experience placement. We expect that every pupil will take part in this excellent opportunity to gain valuable employability skills, knowledge, and a work reference for further studies/job applications.

Please assist your son in securing a great work placement!

ROYAL AIRFORCE MUSEUM

Dr. Khan took our Year 10 & 11 pupils on an enriching visit to the RAF museum in Cosford last Thursday. During the trip, they gained valuable insights into the development of aerodynamic technology and the scientific principles behind rockets and missiles. The pupils had the opportunity to observe, touch, and learn about numerous aircraft, enhancing their understanding of topics in Science and History.

It was truly an educational excursion that broadened our pupils' knowledge and appreciation of aviation history. Additionally, we couldn't help but notice Captain Ahmed Omar, who appeared every bit the seasoned veteran pilot amidst the aircraft displays!

SAFEGUARDING

Have you considered your child's risks in school, out of school and at home? Have you noticed any change in their behaviour? Talk to us about it – even if it seems small. The well-being officer, Moulana Junaid and DSLs, Ustaadh Azmol, Ustaadh Abir, Moulana Shahidullah, Moulana Ibrahim, and Ustaadh Azharul are on hand to discuss any worries. Call us or email us!

MASJID FUNDRAISER

During Zuhr prayer on Tuesday at the Masjid, our pupils made an announcement regarding the Darul Uloom's initiative to install playground line markings for football and basketball, which would cost over £1000. They appealed for support from the congregation, and we were truly amazed by their generosity as they contributed a total of £800, Masha'Allah.

We contacted a number of professional companies and have now received three quotes. We are currently awaiting a few more, so once we are satisfied with a good offer, we will proceed with confirming the work so that our pupils can begin enjoying the enhanced playground facilities as soon as possible. We cannot wait!

May Allah ﷻ accept the donations of every individual involved and multiply their blessings manifold.

KHUTBAH

Our Year 11 pupil, Wakil Rahman, delivered a truly remarkable Khutbah on the topic of embracing pride and gratitude in our Muslim identity, Alhamdulillah. As always, his delivery was impeccable, showcasing his potential to become a future daee and scholar, Insha'Allah.

May Allah ﷻ reward our pupils abundantly, instil steadfastness in their worship, nurture them into great scholars and da'ees, and guide all of us along the straight path, Ameen.

UPCOMING EVENTS

Year 10 Work Experience 4-8 March
Parent Conference 6 March
Maths competition

Thank you for taking out some time to read our briefing – JazakumAllāhukhairan
